

**KPA CERTIFICATION COMMITTEE
KATHY GRENTZER RYAN, CKP, CHAIR**

We have 33 new CKP's after the November 5 exam, for a total of 96.

All CPE's must be reported by January 31. The Continuing Paralegal Education policy and form are posted on the KPA website.

All CKP's who were certified after the November 2010 test are required to complete 8 CPE hours, including 2 hours in ethics, by December 31, 2011. All CKP's who were certified after the May 2011 test are required to complete 4 CPE hours, including 1 hour in ethics, by December 31, 2011. All CKP's who were certified in November 2011 are required to begin CPE requirements for 2012.

The committee plans a CPE opportunity listing for the website in 2012. The committee is currently working on expanding the disciplinary section of the CKP program manual.

Please send any questions or comments to the KPACC email kpa.kpacc@gmail.com. There is also a link on the KPA website. If any CKP has concerns to be addressed by our committee, please let us know so I can add them to the agenda for our next meeting which is January 14 in Lexington.
